

Bachelor of Science (BS)

This is a guide based on the 2025-2026 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use Degree Works to monitor their individual progress.

Personalized Pathways:

At Southeast, we offer online courses in a traditional 16-week fall and spring semester with eight-week sessions in the first and last half of both. In addition, we offer a wintersession between fall and spring and at least six different 4-, 6-, and 8-week sessions over summer. Talk with an advisor to see how you can utilize these different sessions to expedite your degree completion.

Degree requirements for all students: a minimum of 120 credit hours; completion of/transfer credit for General Education program courses; residency at Southeast - at least 30 hours from Southeast; 39 senior division hours required: current residency at Southeast - 12 of your final 18 hours must be taken with Southeast. Refer to the Undergraduate Bulletin or Degree Works for additional graduation requirements.

A minimum 2.0 GPA in the major and overall are required to graduate with a BS degree.
