## **MATHEMATICS: ACTUARIAL SCIENCE OPTION**

## **Bachelor of Science (BS)**

This is a guide based on the 2025-2026 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use Degree Works to monitor their individual progress.

General Education Requirements - some requirements may be fulfilled by coursework in major program

- Social and Behavioral Sciences 6 hours ٠
- Constitution Requirement 3 hours
- Written Communication 6 hours
- Oral Communication 3 hours
- Natural Sciences 7 hours (from two disciplines, one to include a lab)
- Mathematics 3 hours
- Humanities & Fine Arts 9 hours (from at least two disciplines)
- Additional requirements 5 hours (to include UI100 for native students)
- Civics examination

aduate Bulletin or Deg requirements for your program.

A minimum 2.0 GPA in the major and overall are required to graduate with a BS degree.
