

THREE RIVERS COLLEGE

**Articulation Agreement
between
Three Rivers College and Southeast Missouri State University
Associate of Arts
to
Bachelor of Science: Chemistry
(Comprehensive Chemistry and Forensic Chemistry)**

This document specifies the terms for a transfer agreement between Southeast Missouri State University (hereinafter referred to as “Southeast”) and Three Rivers College (hereinafter referred to as “TRC”) and is intended to benefit students at both institutions. This articulation agreement will lead to the awarding of college credit in the above-mentioned programs by Southeast for courses successfully completed by students at TRC.

This articulation agreement is intended to prepare TRC students completing the Associate of Arts degree for Southeast’s Bachelor of Science in Chemistry programs.

TRC and Southeast view this agreement as consistent with the Missouri Coordinating Board for Higher Education guidelines advocating cooperative and seamless transfer arrangements between two-year and baccalaureate institutions.

To ensure the TRC student is ready to enroll in Southeast’s Chemistry programs, the student must follow the appropriate attached program of study. TRC and Southeast will inform each other of curriculum changes that impact this agreement.

This agreement will become effective with the 2024-25 academic year.

This program articulation agreement is hereby entered into on 5/10/24
Date

Dr. Carlos Vargas, President
Southeast Missouri State University

Dr. Wesley Payne, President
Three Rivers College
